For the past decade, *Sacramento* magazine readers and editors have selected their favorite local businesses in more than 200 categories. The **Best of Sacramento Party** is a celebration of them all. Partygoers enjoy great food, wine and wares provided by party sponsors and **Best of Sacramento** award winners. In addition, party attendees are entertained throughout the evening by the best local musicians and entertainers in town!

The **Best of Sacramento Party** is not just a celebration of the finest this region has to offer. It's also an important event that raises awareness and funds for our local March of Dimes. **In 2009, almost \$350,000 was raised**, putting the total dollars raised throughout **the past 11 years at nearly \$3 million!**

**More than \$1 million in marketing is secured annually to promote the Best of Sacramento Party.** There is no party in town that receives more press than the **Best of Sacramento Party**.
